

42 Fire Medics Graduate From St. Francis Hospital

ST. FRANCIS HOSPITAL RECENTLY GRADUATED A CLASS OF 42 EMERGENCY MEDICAL TECHNICIANS [EMT]. It became almost monotonous when the members' departments were announced as they were called up for their diplomas. Approximately 60 percent of the class were members of the Port Washington Fire Department, and most of those students were members of the department's new Fire Medic Company No. 1.

In addition, Kay Perro, R.N., a member of the St. Francis staff and chief EMT instructor, is a member of the new company, as is Dr. Eugene Calvelli, head of Nassau County Emergency Medical Services, who helped her present the diplomas.

The Port Washington contingent, shown with company and department officers after the ceremony, consisted of

(seated, left to right):

Ralph Intinoli, Capt. Joe Teta, 1st Dep. Chief Thomas Murray, Chief Joseph Fico, 2d Dep. Chief William Zwerlien, Marty DeMeo.
