
FIFTH ANNUAL

FIREMEN'S DAY
AND TOURNAMENT

OF THE

Port Washington Fire Department

PORT WASHINGTON, LONG ISLAND

SATURDAY, AUGUST 2D, 1913

OFFICIAL PROGRAM

PRICE - - TEN CENTS

Chief TIMOTHY J. BIRD

GREETING

It is with the greatest of pleasure that the PORT WASHINGTON FIRE DEPARTMENT announces to-day, the presentation of its Fifth Annual "Firemen's Day" and Tournament. We are greatly indebted to the residents of Port Washington for their loyal support and esteem which we have enjoyed ever since our organization, and feel that at our annual exhibition on "Firemen's Day" we are taking cognizance of the opportunity to manifest our intentions of running a good, clean organization that can prove to be a very important necessity in the welfare of the village.

We know we have our dissensions, our misunderstandings, our quarrels. What organization hasn't? We trust we are not guilty of a prejudicial attitude. But realizing that nothing is perfect on this earth, that this organization is what we members make it plus your support, we come to you townspeople with our appeal for the continuation of your support and an increased interest in our organization, and, having such, we guarantee improvements in our body that will enable it to rise to a higher standard of efficiency in the protection of life and property in Port Washington. We have a duty to discharge. We stand for your protection. There is plenty of room for improvement in our department. All we ask is a helping hand and we will endeavor to do the rest.

To the business men of the community who so kindly consented to aid us again this year in getting out this journal, and all others who may have contributed either as to services or funds towards defraying the expenses of this, our Fifth Annual Exhibition, and also to the community at large for what they have done for us in the past, we desire at this time to extend our sincere thanks.

THE OFFICERS AND MEMBERS OF

THE PORT WASHINGTON FIRE DEPARTMENT

Fire Record of the Department
