

# Protections, Pirates Have Hectic Week At Softball

## Protections Down Pirates, Aces Beat Flower Hill, Yanks Win

Up to and including the Wednesday night game between the Protection and the Pirate Softball teams, the Port Washington Community Softball League experienced another hectic week of competition. Wednesday night the Protection led off with three runs only to be topped by five Pirate scores in the second frame. A run in the third and three in the fourth gave the Protection command until, finally, the firemen led 9 - 5 going into the final inning. A triple by Tony Augustino, sandwiched in between singles by Lambert, Verity and Joe Caruso in the last frame brought the Pirates to within one run of a tie. But with the tying run on third an infield out finished the game with the Protection on the long end.

Tuesday night the Port Aces still sting from the 8 - 3 defeat by the Atlantics on Memorial Day, subdued their wrath and eased their feeling by trouncing the lowly Flower Hill team 21 - 4.

Monday night's game saw the Atlantics, erstwhile conquerors of the Aces, bow 8 - 4 to those amazing Yankees (otherwise known as Cox's Army) in a protested game. The protest, however, was later withdrawn by the management of the Atlantics and the Yankees rest in undisputed possession of third place.
